COATED PRODUCTS®

PRODUCT GUIDE

WELCOME TO NEKOOSA COATED PRODUCTS

Mission Statement

As a team, we provide unsurpassed value to our customers, employees, and shareholders by continually:

- Working safely and environmentally responsibly
- Sustaining profitable growth through execution of the most impactful initiatives
- Using accountability to encourage and support employee development and success
- Servicing today's customer needs while generating ideas for the future
- Developing innovative products and programs to help merchants thrive in the digital printing age

Quality Statement

Using clearly stated requirements for personnel, products, and service performance, we maintain or improve our product quality and service to ensure that we continually meet or exceed our customers' expectations. Our products and services are useful, safe, reliable, environmentally responsible, and represented truthfully in advertising, packaging, and promotions.

NEKOOSA BUCKS

The Industry's Most Popular Loyalty Program

Not only do Nekoosa carbonless papers deliver the best imaging on the brightest base stock in the business, there's even more value packed into specialty markets cartons. Since 1999, the Nekoosa Bucks program has awarded well over \$1 million in gift cards to thousands of commercial printers. As those printers know, each specially marked carton of Nekoosa carbonless products contains Nekoosa Bucks in denominations from \$1 to \$25 – and sometimes even more.

It's easy to turn Nekoosa Bucks into gift cards. Simply collect \$25 in Nekoosa Bucks and redeem them for \$25 VISA gift cards using our online redemption system. There's no limit to the number of gift cards that can be redeemed.

FIND NEKOOSA BUCKS ONLY IN CARTONS OF:

- *Ultimate Image U20:*

Three-part Reverse

Fast Pack five-ream cartons and cartons of retail packs are not included.

CARBONLESS PAPERS/SUPPLIES

NEW U20 Heavyweight Carbonless Paper

- Runs faster, cleaner, uses less ink
- Darkest, most durable imaging
- Compatible on wider variety of printing platforms
- HP Indigo certified
- SFI certified and made in the USA

Digital Carbonless Paper

- Engineered specifically for laser printers and copiers
- Fast, clean, consistent performance even on long runs
- Industry-leading imaging on brightest base stock
- Non-contaminating chemistry
- SFI certified and made in the USA

Universal Carbonless Paper

- Guaranteed offset and digital compatibility
- Darker, more durable image
- Industry leading runnability
- Legacy of environmental responsibility
- SFI certified and made in the USA

Good for you. Good for our forests.™

All orders will be entered and invoiced in M sheets, and must be placed in full carton quantities. Bracket II pricing will allow order bundling of all Nekoosa Coated Products to reach the 10,000 lbs. minimum price level.

* Ream wrapped in cartons—500 sheets/ream for Text, 250 sheets/ream for Cover weights. All other sizes are bulk carton packed in moisture proof boxes.

All products FSC certified.

SYNTHETIC SUBSTRATES

Synaps Premium Synthetic Paper

- Prints offset with standard conventional inks
 - Prints and dries like paper for offset printing
 - HP Indigo compatible (requires no surface treatment)
 - Waterproof and tear-proof
 - Ideal for POP, outdoor signage, menus, labels
-

Synaps Digital XM Synthetic Paper

- Engineered for high heat, dry-toner digital printing
 - Resistant to water, chemicals and grease
 - Incredible tear strength
 - On demand, high quality printing
-

Thermanent Digital PS

- Designed for high heat toner-based platforms
 - Best in class permanent and low-tack adhesives
 - A thin film release liner
 - Premium clear strip edges
 - Durable and weather resistant polyester face stock
-

Thermanent Digital Polyester Paper

- Engineered for high-heat laser printers and copiers
 - Eliminates laminating
 - Waterproof, tear-proof, chemical-resistant
 - Extremely durable yet lightweight and flexible
 - Great for outdoor signage, plant stakes, membership cards
-

ThermaTac Removable Vinyl Signage

- Engineered for high-heat laser printers and copiers
- Repositionable adhesives with clean release
- Available in white and frosty clear
- Superior alternative to static cling
- Perfect for custom decals, indoor and outdoor applications

For offset lithography using
standard conventional inks.
HP Indigo compatible.
